

ECOLABNET NETWORK

A leaflet for potential members

EC  LABNET

THE ECOLABNET NETWORK - WHAT IS IT?

- **ECOLABNET** stands for The Network of Service Providers for Eco-innovations in Manufacturing SMEs that aims to support, enable and reinforce businesses to take action for sustainable eco-innovation in Baltic Sea Region and beyond.
- **ECOLABNET** involves dedicated research, development and innovation organisations (RDIs), small and medium-sized companies (SMEs) as well as intermediary and business support organisations who promote eco-innovation and want to connect with high level knowledge, expertise and facilities in technology, business and design.
- **ECOLABNET** is available to its members through its comprehensive digital collaboration tool (online platform) and communication events in various BSR regions. It provides local access to essential information, tools, learning material and contacts in Baltic Sea Region.
